

Fireside Accessories Pack

Save 50% Off RRP

PACK OFFER PRICE: £311.42

Promotional Code: SSPACK

Pack includes:

x5

Moisture Meter

- Tests that firewood is fully seasoned; moisture content needs to be less than 20%
- Reduces chimney deposits and lowers environmental pollution
- Creates a fire with less smoke

x8

Chimney Cleaning Log

- Burn prior to sweeping for a better clean of your flue and chimney
- Use 2 to 3 weeks before sweeping to allow chemicals to remove soot and tar

x6

Stove Glass Cleaner

- Dissolves and cuts through grease and grime without scratching the surface
- Safe to use on all hard surfaces
- Non-flammable alkali based solvent

x12

Fire Lighter Drum

- Each Tub contains 100 Fire Lighters
- Great for starting your fire and getting a clean flame
- Each individual lighter comes sealed and ready for use

x10

Magnetic Stove Thermometer

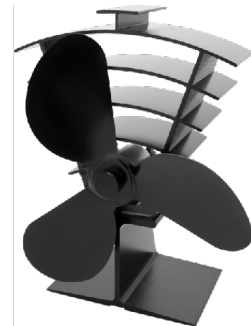

- Enables a safe and efficient operating temperature to be maintained; optimising fuel consumption
- Robust design and strong magnet
- Suitable for use on any hot steel or iron surface including stoves, BBQ's, ranges, patio heaters, flue pipes and chimneys

x1

3 Blade Stove Fan

- Uniquely engineered design; boasting an advanced radiating fin to generate maximum airflow, up to 70% more than competitor products
- Starts at temperatures as low as 45°C
- No batteries or external power required
- Heat converts to electricity; powering the fans motor
- Automatically slows and stops as the heat from the stove reduces
