

Stove Glass Cleaner

FIR150

An extremely effective glass cleaning solution that will dissolve and cut through grease and grime without scratching the surface.

Safe to use on all hard surfaces.

Non-flammable alkali based solvent.

Removes all the deposits sometimes left by incomplete combustion of coal or wood in solid fuel stoves. Valiant Glass Cleaner is a solution that really works!

- Trigger pump action for controllable spray
- Large and economical 750ml bottle
- Effective cleaner on glass and other hard surfaces
- Spray on, lightly agitate with suitable brush or cloth, wipe off with damp cloth
- Use on cold surfaces only
- Pleasant lemon scent for that freshly cleaned smell

R22: Harmful if swallowed

R36/38: Irritating to eyes and skin

Spillages and contact with skin should be irrigated with clean water
