VALIANT

Based in the Hertfordshire countryside, Valiant is a small business that recognises the benefits of utilising naturally occurring, sustainable fuels to warm our homes, whether with an open fire or a stove.

We offer a range of quality fireside accessories to homeowners that combine stylish design, functional practicality and competitive pricing.

From heat powered stove fans to thermometers, and even an outdoor and BBQ range, we have a range of products to suit every fireside need.

VANQUISH 250

MOISTURE METER

Fuel quality is the single most important factor in making a fire. To burn effectively the moisture content of firewood needs to be less than 20%. The Moisture Meter combines colour-change technology and an easy-to-read digital display to indicate whether the wood is fully seasoned. A green light means it's ready to burn!

Burning only fully seasoned wood reduces the impact your stove has on your home and the environment.

Requires 2x AAA batteries (not supplied)
110 x 50 x 20mm (HWD)
Weight: 64g
