

Matt Black Stove Paint

FIR170

Valiant's Matt Black Stove Paint is a durable, hard wearing paint designed to withstand extreme temperatures of up to 600°C. The quick drying spray paint is suitable for use on both uncoated and coated metal surfaces, so is ideal for touching up scuffs on wood burning stoves, flue pipes, barbeques, exhaust pipes and domestic appliances. Applied in thin, even coats the paint will give a professional finish and a lasting effect.

- Ideal for touch ups.
- Tough finish to withstand high temperatures.
- Quick drying.
- Suitable for use on uncoated & coated metal surfaces.
- Professional fan shaped spray nozzle.
