

## Active Glass Scrub

FIR156

Effectively lifts smoke, tar and creosote stains from glass surfaces. Ideal for removing stubborn stains from the glass doors of wood burning and multi-fuel stoves. Also effective to use on other hard surfaces. This scrub really does all the hard work for you!

Easy to apply for deep cleaning.

- Effective cleaner on all glass surfaces
- Large economical 250ml tub
- Use on cold surfaces

### Directions for use:

Apply onto a cold surface, agitate with a brush or cloth, and wipe off any excess with a clean cloth.

For best results; finish the clean with Valiant Crystal Shine glass cleaning spray.
