

# SPECFLUE

Declaration of Conformity		
WOODBURNING STOVES		Specflue Castle Range of Wood Burning Stoves
According to the Regulation No 305/2011		<b>Tiverton &amp; Stirling</b>
Product Type Unique Identification Code	Fireplace stove for wood - Requirements and test methods pursuant to EN13240:2002/A2:2005	
Product Name	Tiverton & Stirling	
Intended Use(s) of the construction products in accordance to the technical specification	Room Heater Burning Wood Logs Only	
Manufacture and Distributed by	Specflue Ltd, 8 Curzon Road, Chilton Industrial Estate, Sudbury, Suffolk. CO10 2XW. www.Specflue.com / sales@specflue.com / Tel 0333 999 7974	
Notified Body	Kiwa Ltd, Kiwa House, Malvern View Business Park, Bishops Cleeve, Cheltenham, Gloucestershire. GL52 7DQ. UK Approved Body No 0558	
Declaration of Performance		
Harmosied Technical Specifications	EN 13240:2002 / A2:2005 - DD CEN/TS 15883:2009	
Emission tested to EN16510 @ Nom Output and 13%	Tiverton	Stirling
CO <sub>2</sub> %	0.08	0.1
Flue gas flow rate (g/s)	3.3	3.8
NoX (mg/Nm <sup>3</sup> )	94	98
OGC (mg/Nm <sup>3</sup> )	63	77
Dust (mg/Nm <sup>3</sup> )	23	11
Fire Safety / Distance to Combustibles / Output	Tiverton	Stirling
Rear (mm)	275	350
Sides (mm)	500	350
Front (mm)	1100	1300
Nominal Heat Output (KW)	5	5
Working Heat Output (KW)	4 to 6.3	4.3 to 6.4
Energy Efficiency (%)	84.4	83.9
Flue gas Temperature (°C)	249	233

Kiwa No 0558 - Test Report 61837-1 + 61837-2 dated 21st November 2023

As the Manufacturers authorised representative established within the UK, Specflue Ltd declare sole responsibility that the equipment follow the provision of the directives above.

Signed for and on behalf of the manufactures
