

SPECFLUE

...designed to be better

Outdoor Living

Specflue's outdoor living products continue the theme of all things fire and flame!

Specflue have been in the flame game since 1992 selling everything you need for chimneys and stoves to the domestic and commercial sectors.

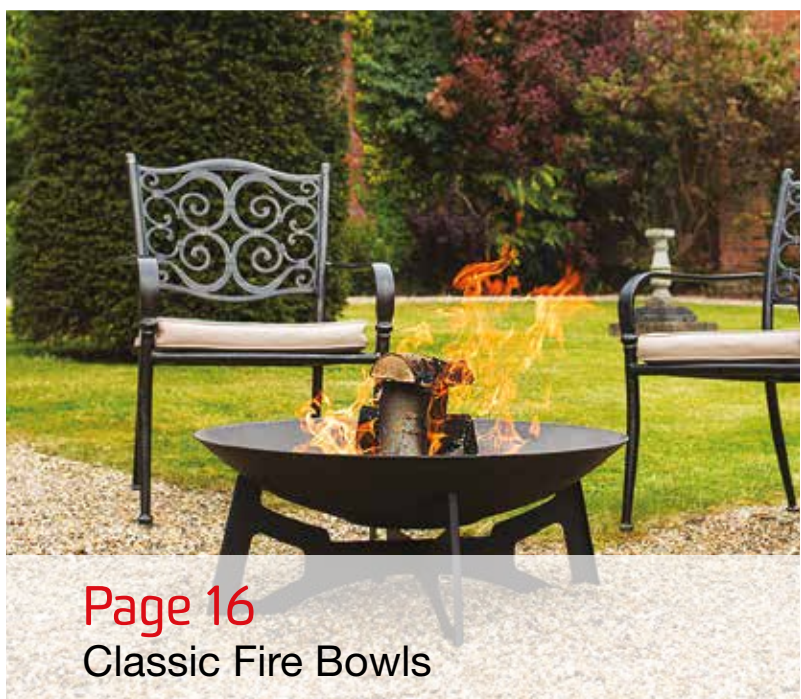

Specflue pride themselves on great service, fair pricing, high quality products and are a trusted brand.

Nothing brings people together like fire and food. Too often, grilling for an outdoor gathering becomes the work of one grill master who spends the majority of their time at the grill and away from the group. Grilling, reinvented goes beyond just what's under the lid. Place a Solo Stove Grill in the center of the action, and turn your outdoor cookouts into fun, interactive grilling experiences the whole family can enjoy.
